

# *United States Cutaneous Lymphomas Consortium(USCLC)*

## **Directives for Grants or Contracts with USCLC**

Grants or contracts will not be made by the USCLC to/with: political or lobbying organizations; fraternal, athletic or social organizations; religious organizations for religious purposes; capital or endowment of organizations; or organizations that do not directly relate to cutaneous lymphoma.

In making grants or submitting contracts to the USCLC, please note that the Society does not fund “indirect costs.” Therefore, please omit “indirect costs” from any budget request.

All contracts or grants must include a detailed list of all project expenses. Please note that grants will not be made to proposals that are principally for facilities and/or equipment and all facilities/equipment proposed fees must be separately approved prior to grant approval.
